RAGE

[CHRIS PARADISE V. RODNEY MARNEY W/ RINGMASTER KENNEDY](#) Gil: Ladies and Gentlemen, welcome to Thursday Night Rage! Tonight we continue on the road to victory as we have four matches for your entertainment!

Lucius: While there is much to be said i cannot wait for them to start! Up first tonight we have Chris Paradise in his VCW debut from GEW looking to capitalize against Rodney Marney, but with Ringmaster Kennedy at ringside, there's no telling what's gonna happen.

Gil: Next after that, double ring debut of the beautiful spitfire Hex Girl looking to prove the world is not He Man Women Haters Club--

Lucius: Seriously *starts laughing* He-Man...

Gil: As i was saying against new arrival...well its a mysterious enigma who was just brought over to VCW out of retirement. Boss must be pulling favors like he did David GS.

Lucius: Don't you start with that, think for yourself. Also after that we have the main event. A slobberknocker of a match between #1 Xander Hayes and new arrival Gunnar Granderson, fresh from his dominating victory last week and looking to continue on to the next round.

Announcer: Bay Valley Asylum...

As the beginning notes of The Happy Song by Poets of The Fall echoes over the loudspeakers Chris Paradise shambles out in a jacket designed to look like a Straightjacket, accompanied by Dr. Arika Devaruex...

Announcer: Accompanied to the ring by Dr. Arika Devaruex

as he nears ringside he shrugs off the jacket giving fans a glimpse of his black suit with green glitter pinstripes and eerie slides into the ring and sits in the corner laughing psychotically

Announcer: Introducing his opponent, from The Psych Ward

The arena goes dark as the opening of Psycho Circus begins to play. A spotlight shines as Marney in a black trench coat back facing the crowd lowers on what appears to be a t|BLEEP|ze. When Ace Frehley lets out a yell, Marney removes his coat arms held out and purple, red and black pyro goes off.

Thursday Night Rage: 5

Announcer: Accompanied to the ring by Ringmaster Kennedy..

After the pyro dies down Ringmaster Kennedy appears to the side of Marney. When Frehley yells "Here I am!" Marney walks slowly down the ramp with a stoic look on his face staring lifeless at the ring.

He climbs the stairs and continues to walk along the side of the ring, swinging around the turnbuckle still looking in the ring, before entering. Rodney exchanges a brief conversation with the Ringmaster as Chris Paradise hops in place excitedly. Rodney finally steps into the ring as the music cuts off.

The bell rings as the two clash in the middle of the ring. Rodney gains the upper hand, leveraging what little of his weight, lifting Paradise up and down to the mat. He clenches on Paradise's left arm as he continues to ground him.

Rodney switches his weight, deliberately allowing Paradise to rise to one knee before targeting the arm he's holding, a look of joy on his face as The Ringmaster voices support from ringside. Paradise struggles to break free as Rodney continues to pummel the arm, jerking it down harshly. He twists one more time before slamming Paradise down to the ground. He steps away to laugh as Ringmasters claps for his client.

Rodney turns around towards Paradise, reaching for him, but receives an elbow to the face, stumbling the man as Paradise takes the initiative, following up with another elbow, pushing the man back to the ropes with another elbow to the face. He pushes Rodney, then pulls, whipping to the opposite of the ring, Rodney dodges the incoming clothesline, hits the ropes on the return, coming back with a shoulder block, knocking Chris down. He goes for the ropes again, comes back and connects with a body splash. He goes for the pinfall..

T~Kickout again by Chris Paradise, a agitated look appears on Rodney's face as he grabs Chris to stand up. He sets him up for the piledriver, stalling for show, before landing the move in the center of the ring. As Ringmaster Kennedy points skyward, Rodney grabs him again, lifting him up for the second piledriver, dropping again for hit. Once more at the Ringmaster's command, he repeats the manueur, pinning the now unconscious Chris Paradise for the pin.

The bell is rung as Ringmaster motions for Rodney to leave the ring, as Dr. Devaruex tends to her client.

[JESTER W/ FILL V. STUART RATLIFF](#) The lights in the arena dim as the sounds of maniacal laughter fills the stadium. The eerie opening notes of Nightmare by Avenged Sevenfold cuts through the laughter.

Announcer: From parts unknown, weighing 254 pounds...

Just as the opening guitar riff hits, pyros explode and the entranceway is enveloped in green smoke. The smoke clears to reveal The Jester standing at the top of the ramp with his GEW Tag Team Championship belt d|BLEEP|d over one shoulder and his baseball bat over the other, an evil half smile/ half smirk stretched across his face, with Fill standing behind him to his left.

Announcer: Being accompanied by Fill...he is one half of the GEW Tag Team Champions...THE JESTER~!

He pans his head slowly around the arena, drinking in the cheers of the fans. He walks steadily, with purpose, towards the ring and quickly slides under the bottom rope as Fill walks around the ring. He rises to his feet in the center of the ring, further enthralled by the continuing enthusiastic response of the fans. He raises a triumphant arm in response to the audience's chants of support before making his way over to a corner.

Clicking his neck, shoulders and fingers, he assumes a stance, ready to fight.

Almost without missing a beat, Hex Girl goes straight for Lew Smith, causing the ref to signal for the bell as Lew takes the initial attack to the gut and then kicks to his shins by the fiery wrestler.

Hex attempts an Irish whip, which is reversed by Lew who follows right behind her with a clothesline, that sends her sprawling outside the ring in a complete loop.

Gil: Welcome to VCW!

Lucius: She's in for a rough spot trying to become the VCW Champion.

Lew takes his time surveying her response getting up, not bothering to follow her outside as the ref has already begun his count.
