June 26, 2014 | Arthur Ashe Athletic Center - Richmond, Virginia

RAGE

[INTRODUCTIONS](#) Lucius: Ladies and Gentlemen, live from the Arthur Ashe Athletic Center, welcome to Thursday Night Rage! I'm Lucius Cashmere and my ringside partner is Gil Parquet!

Gil: Thanks Lucius! The night is still young folks as we head into Anarchy and the boss has set up some interesting matchups as we get ready for tonight.

Lucius: Interesting, the opening match between the first of many returnees to VCW, Chuck Mancini...faces a unknown in Chris Marshall. Marshall looks to have a decent future here in VCW.

Gil: A future as Mancini's personal whipping boy.

Lucius: *shakes head* Up next, we have another return of Fill...

Gil: IS HE STAYING!?

Lucius: ...

Gil: Damn it the kid's got talent...make that bastard!

Lucius: As i was saying he's up against Matty Frederickson, who has been on the rebound of late.

Gil: He better be ready for the next rebound.

Lucius: I hope not. Following them could not be a more interesting clash of contenders, one now a former Internet Champion, the other rising back up in her attempt to be VCW Champion.

Gil: I will give it to Hex Girl, she could buy a leash right now and could tame Rodney before his next crack at the belt Tommy's holding.

Lucius: I think Hex has great potential, but i digress. Following their match folks, is a fatal four way match of explosive talent.

Gil: There's talk that UTA has their eye on one of them.

Lucius: Conrad Teller? Yes, but can he prove that he's worth every penny as he looks to pin the Wildfire Champion, Mike Harrison?

Thursday Night Rage: 11

Gil: Mike got a big break pinning Xander Hayes last show, but lets be honest....he doesn't have a chance in hell with Jason Spire and Mickey Buchannon in the ring with him. No chance.

Lucius: The man has proven he has a heart of gold and willing to do anything to prove that he is not a paper champion.

Gil: While you wave your pom-poms over Harrison, i am cheering for the dynamic combination that CBR and Perfection will bring to the VCW enviroment against VCW's Fizz and returning to ring action on VCW...DOCTOR EMO!

Lucius: You sound excited?

Gil: I am. I wanted to share that with everyone that CBR and Perfection are looking to clean house and return back to UTA.

Lucius: Not to be outdone, our main event of the night features what could be a reflection of Anarchy's top booked matches. VCW Internet Champion Tommy Lipton teams up with his challenger, Xander Hayes, whose last appearance tonight on Rage, against the hazardous combination of VCW Champion Lew Smith against his challenger Dick Fury.

Gil: I think...we got chaos happening tonight Gil, but above all else, Dick is walking out of Anarchy the next VCW Champion...hands down.

[CHUCK MANCINI V. CHRIS MARSHALL](#) An airhorn sounds two long blasts, and two spotlights shine straight ahead from either side of the jumbotron. The tron shows the grill of a big rig as the words "CHUCK...THE...TRUCK" appear in succession, in big block letters across the screen.

Gil: What's the deal!?

Lucius: The man who is gonna whip Chris Marshall is here.

A diesel engine is heard firing up, and then Chuck's music kicks in, "Convoy," by Johnny Cash. Chuck emerges from behind the curtain, and steps onto the stage making the international sign for "blow your airhorn." The fans respond in kind, pumping their fists up and down as if pulling the cord.

Thursday Night Rage: 11

Ann: Hailing from Trenton, New Jersey...weighing at 257 pounds...CHUCK...MANCINI!

Chuck's dressed in his usual blue jeans and black t-shirt bearing the words "TRUCK YOU." His build isn't particularly impressive in terms of being sculpted, but he's a big man; barrell-chested, with large shoulders and arms to match.

Gil: Seeing Chuck come down sickens me.

Lucius: The guy has a chance to properly do something with his life and you are hating on him.

Gil: He's not gonna get off the ground with that 18 wheeler appearing here every show.

He stops halfway to the ring and looks around at the crowd. He then jogs the rest of the way to the ring, rolls under the bottom rope, and climbs a turn buckle, making the "airhorn" sign a few more times, before jumping down and awaiting the start of the match.

Ann: His opponent, already in the ring...hailing from Ontario, Canada....Chris Marshall!

Gil: The kid doesn't have much of a leg to stand on.

Lucius: I worry more about if Chuck is gonna be end this quick or torture him.

The ref signals for the bell as Chuck simply levels Chris Marshall with a clothesline, causing Chris to spin midair before lying facedown on the mat.

Lucius: Well...looks like a quick one then.

Gil: bad choice to go that route.

Chuck picks up Chris, locking up for the Traffic Jam, he jumps up with Chris as slams him into the mat face first. He rolls him over and covers for the pin.

The bell rings as Chuck gets up, brushing himself off as the ref raises his hand.

Ann: Winner of this match...CHUCK MANCINI!

Gil: Whipped...in reasonably short time.

Lucius: Chuck with a opening victory tonight as we get the gears running on the go home show.

[FILL V. MATTY FREDERICKSON](#) Lucius: We return from commercial break folks to our next match as Matty Frederickson is awaiting his opponent's arrival.

The camera briefly points at the center of the ring as Ann Reggis announces Matty Frederickson, who gets some mixed reaction from the crowd, while his music is playing.

Gil: To be honest, what fire does he have compare to the man he's facing right now?

As if on cue, My Own by Soil hits the PA as Fill slowly walks down the ramp. While walking to the ring he looks over the crowd from left to right, but mainly ignores their reactions.

Ann: Hailing from Shumen, Bulgaria...weighing in at 225 pounds....FILL~!

He enters the ring and looks over the crowd one more time with signs of anger in his eyes, as he pounds his chest and raises his fist in the air.

Gil: The real question is, can Fill maintain focus heading into Anarchy? Rumors are abound that he is being closely observed by those upstairs..

Lucius: What are you? A Wizard!? Scare to say the boss's name?

The ref signals for the bell as Fill stands confidently in the middle of the ring as Matty rushes at him. He sidesteps as Matty attempts to swing a punch, Fill follows it up immediately with a knee to the side of the ribcage. Matty doubles over, clutching his chest...

Thursday Night Rage: 11

Gil: Goodbye Raiders Fan!

Fill quickly follows it up with a kick to the gut, quickly grabbing Matty and setting him up for his finisher. He wastes little time executing his stressout powerbomb in the center of the ring. He covers for the pinfall.

THREE!

The bell rings as Fill gets up, his left hand raised by the ref.

Lucius: Another match in the bag folks.

Gil: Lackluster win, but a win nonetheless for Fill.

[HEX GIRL V. RODNEY MARNEY](#) Gil:: Welcome back Folks, next on tap we have a rematch of Hex Girl vs. Rodney Marney.

Lucius: that's right, this has been a great rivalry between these two, Both have wins against each other.

Gil: And here she comes! the Wiccan Wonder! HEX GIRL!

Hex Girl comes out on the stage covered in her green half cape she holds for a moment and the stage erupts in flames blocking her from view for a moment when the flames vanish she is minus the cape. A hardened look on her face she walks down the ramp with purposeful determination. She slides into the ring and is ready to tear into her opponent.

Lucius: Now coming to the ring from the psych ward Rodney The Carney Marney! With The Ring Master Kennedy.

Thursday Night Rage: 11

[As the opening to Psycho Circus by KISS starts to play, Ringmaster Kennedy is seen coming down from the rafters slowly via a tiny platform. Once at the ring, Kennedy steps off the platform, MIC in hand as the music stops]

Kennedy: Ladies and gentlemen, boys and girls, what you have seen before, is nothing compared to what you are about to see. Welcome to the greatest show, you will EVER see....Rodney The Carney Marney!

[The music resumes and Rodney The Carney Marney is standing at the top of the ramp. When Ace Frehley yells, "Come on! Here I am, here we are, we are one!" Kennedy motions for Marney to come to the ring. Marney walks to the ring his lifeless eyes staring at the ring. He hops up on the apron and walks around it before entering the ring. Kennedy tips her hat before exiting]

Both Hex and Rodney stare each other down as they go in for the tie up Hex side steps Rodney as he grabs his arm and goes into a arm bar. but with Rodney being bigger he shoves Hex away as he smiles evilly. Kennedy starts to scream as Hex looks over.. Rodney steam rolls Hex with a clothesline!

Gil: I don't know why she's even in the VCW, she can't compete.

Lucius: Let's see you get in the ring with her?

Gil: I have bad knees and a back finger I couldn't even wrestle.

Rodney stands above Hex as he grabs her hair and pulls her up. He then lifts her into a German suplex as she hits hard. Hex screams as Rodney continues with a fury of boots to her midsection. Hex tries to cover up but is then grabbed again and tosses into the turnbuckles. Rodney rushes her with a splash but is greeted with the top turn buckle to the head as Hex drops and covers up. The big man staggers a bit as Hex then starts with kicking Rodney in the right knee as she continues the Ref starts to Yell at her to stop as he stops.

Lucius: Oh my!

Gil: she has no regard for the rules!

Hex backs off as she runs into the ropes and bounces off and connects with a disaster kick. Rodney falters as he then rushes to the ropes a second time and bounces off baseball slide into Rodney's feet causing the big man to drop to a knee holding his foot. Hex stands and looks around as the crowd pops for her. She then hit's a DDT as Rodney falls down hard, she goes for the cover but Kennedy grabs Rodney's foot and places on the ropes as hex looks up and points to the ref.

Gil: Smart move by Kennedy.

Thursday Night Rage: 11

Lucius: smart as in cheating to win!

Hex yells at Kennedy as Rodney get's to his feet. and get's behind hex whom is busy with Kennedy as he hits a back to bell suplex. Rodney then goes for a cover

KICK OUT!

Gil: What he was robbed!

Lucius: I think it will take more to bring her down.

Rodney shows frustration as Hex stands up and rushes Rodney and stops as Rodney looks bewildered as she hits a nut punt causing Rodney to drop like a sack of potatoes as she flips him over and goes for the magic carpet ride. Rodney is trying not to tap as Kennedy hops up to the apron and starts to yell as the ref looks over and starts to yell Rodney starts to tap out. The ref then forces Kennedy to leave the match as Hex let's go thinking she's won. Kennedy screams as she leaves the arena. Hex taps the ref who looks over. Hex then goes for the cover.

CHEEEEEEEER

I am your champion, now and forever. The days of Xsitence our behind us, and all the political BS a thing of the past. I once again will make a stand and represent you.

I will not be walking out on you guys, this will be the Summr of Lipton!

Later I team with the numbr one contender to what I have and when the time comes he and I will do battle. For now, Lew and Dick are the targets.

Now Lew, this will be the first time you and I enter the ring, and very well may not be the last. Champion to Champion, I am coming to get you, I will beat on you until the beat down is trending world wide! You will afterwards remember with out a doubt that you and I stood toe to toe in this squared circle and battled like gladiators!

Dick Fury, you can call my name moronic, it's totally cool. I'm used to the name calling, it doesn't change the fact that I am no moron and I am not some nobody. I am Tommy Lipton, a legend of a decade and the current VCW Internet Champion!

Dick, Lew, you both seemed so focused on each other anyways that I think you may have forgotten about who you are facing, or you simply are not even going to let this mtch start before tearing each other up. I or one, I want to win. Xander and I are no jobbers, you may learn that the hard way. Unlike you two, Xander and I will co-exist and that will be that. I focus on the task at hand but make no mistake, I know that soon enough Xander and will meet at Anarchy. Tonight he and I will bring the pain on Lew and Dick and hopefully they brought the beer.

REMEMBER you can catch my post match thoughts on Twitter and Facebook. I'll see you all later.

[FIZZ AND DR. EMO V. CBR AND PERFECTION](#) Gil: What a match we have here today. Fizz and Dr. Emo vs. CBR and Perfection!

Lucius: Oh yea, it's going to be a hum dinger!

Ice Ice Baby by Vanilla Ice hits over the PA system as Fizz now rides out on a tricycle. He rolls down the ring in his stylin' trike, before hopping off and waddling into the ring to a moderately nice reaction from the fans.

Lucius: Here he comes the man of the hour FIZZ!

Gil: Say wasn't he the one with Jenna Jameson?

Lucius: Only you would know Gil.

Gil: And his Tag Team partner! DR. EMO!!

"Sometimes You're The Hammer, Sometimes You're The Nail" plays over the PA as the crowd starts to cheer and the first verse hits.

"You wanna take, take, take, take, take it away from me. Take it away from me. You can't wait, wait, wait, wait, wait till I'm stumbling. Go get carried away."

The crowds cheers start to get louder and with the song the fans scream out.

"Go!"

EMO walks out on stage jumping up and down as if he was leading a mosh pit trying to get the crowd psyched up.

"And the fears sets in, in an instant. Too much of myself gets exposed. This is where I go at my weakest, When I don't have to be scared to tell the truth."

As he makes his way down the ring he highfives the fans that have their arms reached out towards the ramp.

"Tend to do my best when everything goes wrong. That's why sad songs make me happy, cause I don't have to feel alone."

EMO slides into the ring and poses for the crowd on the turnbuckle as the song begins to fade out.

Lucius: And now coming to the ring. CBR!

"Seek and Destroy" by Metallica hits the PA system as the Canadian flag appears on the tron. Red lights fill the arena and from the back, CBR comes into view. Wearing his trademark purple and white robe, with

Thursday Night Rage: 11

purple tinted shades, he makes his way down to the ring, arms raised to the fans in a 'look at me' pose. He flings the robe off and takes the steps to the apron, slowly getting into the ring. Once inside, CBR raises his arms, flexing to show off his physique. He takes off his shades and stretches his rut arm, preparing.

Lucius: and his partner Perfection!

Gil: I still think he was robbed. I mean he's just perfect he shouldn't be facing off against these guys, he's pure greatness!

The sounds system begins to play the opening riffs of "Perfect Gentleman" by Helloween. The crowd immediately responds with jeers a boos. The one and only Perfection exits from behind the curtain raising his arms accepting the crowds reaction to his wonderfulness.

There is no doubt about it
I'm one of kind, baby
I am le d'Artagnan de coeur
As you may see, candy

Perfection makes his way towards the ring taking his time to jaw-jack with fans near the rails. He walks up the stairs to enter the ring. He poses for all to see flexing and smiling those pearly whites. Perfection enters the ring.

Yes I am
I am a perfect gentleman
Yes I am
I am a perfect gentleman
Yes I am, I am, yes I am
(perfect)

Now he mounts the turnbuckle to yell at the fans some more before giving one last pose and jumping down from the turnbuckle. The ref checks all four men as Fizz and CBR starts thing off.

Gil:: Come on CRB!

Lucius:: Isn't that a model bike from Yamaha?
