Introduction

"

Lucien Walker" by Wolfmother plays, as clips showcasing various superstars on the DREAM roster plays on-screen before cutting to show the Friday Night Refund logo. Lucien Walker is shown walking on-set in the Friday Night Refund studio, before turning to face the camera with a smile on his face. Lucien Walker - "Good evening ladies and gentlemen, and welcome to DREAM Friday Night Refund! I'm Lucien Walker, and tonight we'll be going over the entire card for Golden Dreams this coming Sunday, which promises to be a spectacular event, so if you haven't purchased tickets or ordered the event yet, DO IT! Now, to kick off the show tonight we're going to showcase some of the best moments from this week's episode of Slaughter, which of course featured a spectacular Tag Team Scramble taking place throughout the evening. So sit back and relax as we give you more bang for your buck, this is the Slaughter recap on Friday Night Refund!"

## Slaughter Recap: Tag Team Scramble!

A video starts to play, the words "Slaughter Recap" flashing on-screen before cutting to show Mad Max, Zero, Bishop Steele and Tyler Straven in the ring. The commentator's voice can be heard as all four men take their places in the ring.

"Four men, unfamiliar with each other in tag team action. Mad Max and Tyler Straven will kick this match off as Bishop Steele and Zero head to the apron"

Tyler Straven: "Tonight we take things to the next level and kill a whole lot of American dreams!" "Mad Max and Zero, an unlikely team, may just make it folks."

All four men regard each other with disdain, and as Mad Max and Tyler Straven lock up Max drives his thumb into Straven's eye, before grabbing him and driving him viciously into the mat! Bishop and Straven are then shown lifting Mad Max up, attempting to hit a double suplex.

However, Mad Max wiggles his feet and both men lower him back down onto the mat. Max yells, before lunging forward and DDTing both men into the mat!

"Dual DDT by Mad Max!"

Zero is shown screaming at Mad Max in German, as Max hits the Overdose on Tyler Straven, before covering him. The referee drops down and starts to slap the mat, counting the pin.

As the bell rings, Max climbs to his feet.

"Mad Max has won this match for him and Zero!"

William Peters is shown sitting in his office, talking on the phone. William Peters: "You are calling me, so you must have something in mind."

Peters listens to the phone, and the audio of the caller can be heard. Caller:: "'How much is the death of HOSTILITY and the title around your waist as a mocking joke worth to you? I think I am giving you a steal."

William Peters: We cut back to the ring, where Adrien Cochrane is shown in his corner.

"Adrien Cochrane in his second Slaughter match since his debut as he was drafted straight to Insomnia after the last Pay Per View." 501 jumps to his feet and runs, leaping out with a tag to Cochrane. Cochrane rushes Zero, who ducks a clothesline attempt and turns, kicking Cochrane in the gut. Cochrane is then shown trying to hit a crossbody, however Mad Max catches him and slams him into the mat.

"Mad Max caught Adrien!" "What a slam! Mad Max hooks the leg."

Mad Max hooks Cochrane's leg and the bell rings, and Max climbs to his feet with a jubilant smile on his face. Paige McGillicutty: "She is the DWF Women's Champion.....JILL BERG!"

Miss USA and Jill Berg are shown both signing the contract for Golden Dreams. Paige McGillicutty: "Next Sunday on Dream Wrestling Federation's Golden Dreams Pay Per View, it'll be Jill Berg versus Miss USA in a title unification match with the winner becoming the undisputed Missouri Valley Wrestling Champion."

"Making their

Slaughter debut as a team, Dark and B.R. Ellis are about to head out, collectively known as the chiKEN Chokers."

Dark and B.R Ellis appear from backstage, Dark carrying a large duffel bag.

"HOLY HELL!"

Mad Max is shown abandoning the ring, as several chickens attack Dark who is laying in the fetal position as they peck and scratch at him. Max and Zero look on in disbelief. B.R Ellis shoos the chickens away and shakes his head before helping his partner climb to his feet.

"I guess B.R. Ellis already knows Dark is just plain weird and doesn't hold it against him."

Mad Max and Lupin Cy are shown locking up, while Zero and Jay Price shout encouragement to their

partners.

"Here we go as the tag team gauntlet continues. Lupin Cy and Mad Max will kick things off..."

Lupin Cy breaks the lock then delivers several quick kicks to the legs of Mad Max. The next shot is of Cy flipping backwards onto his knees and tagging Jay Price in.

"Price runs, he jumps, huge splash!"

Jay Price slams a slumped Mad Max in the corner, before getting slammed into the corner post once again. Price sits Mad Max on the top rope and hits a thunderous superplex, and Price hooks the leg, getting the pinfall.

"We have a new team in the lead as Jay Price and Lupin Cy take out Mad Max and Zero!"

Doozer and Cancer slide into the ring at the same time, jumping to their feet. Lupin and Jay meet them in the middle of the ring, all four men trading lefts and rights. The scene cuts to show Doozer dropping to his knees and countering Price.

"Reversed by Doozer!"

Doozer tags in Cancer Jiles. Jiles is shown getting ready to hit the superkick he calls the Terminal Cancer as Jay Price runs across the ring towards him. Jiles connects and covers Price, as Cy rushes into the ring only to be intercepted by Doozer. The bell sounds!

"The eGG Bandits move on!"

Travis Williams and Chris Bladez are shown in Mark Zylbert's office.

Travis Williams

"Allow me a moment of your time, from one business man to another."

Travis Williams

"Simple as this, we are tired of waiting to see who we will face. Lets just have them kill each other and get this over with!"

Mark Zylbert: "Alright, you got it. The next match will be an eight man tag, then the main event."

We cut to the ring, where a man in a light gray suit with brown hair can be seen speaking. Brian Titan: "Allow me to introduce myself to you all..."

Brian Titan: "You can call me Brian, you can call me Titan, and Doozer s ex, you can just call me later!" Brian Titan: "Travis, little brother! Golden Dreams is suppose to be an

amazing night for you. You have a chance to become the center piece once again of this crapper. It will also be the night when your past comes to bite you in your ass. So, how you like to always state. DO YOU KNOW YOUR HISTORY? I will give you just one hint

What is black and white, and can even scare the shit out of you?

See you at what I am now deeming, BLOODY NIGHTMARE!"

The Egg Bandits, Upton Osgood and Casey

Pierro-Zabitol, Mike Polowy and Jak Nemesis and the Brothers of Prophecy are shown in the ring, as bit parts of the commentary play.

"The bell sounds and we are underway -"

Upton Osgood grabs Jak Nemesis and applies a pressure hold.

"Upton applies pressure. If he can make Jak Nemesis submit early on, he and Casey Pierro-Zabitol will advance-"

Casey Pierro-Zabitol is shown applying a full nelson to Nemesis.

"Pierro-Zabitol places Nemesis in a full nelson lock."

Nemesis breaks the hold, and applies a bear hug to Pierro-Zabitol, before hitting a facebuster.

Pierro-Zabitol is then shown tagging Cancer Jiles into the match.

"Casey Pierro-Zabitol giving Cancer Jiles the tag, allowing him to get in the ring with the man who some would say, robbed him, of his Anarchy Championship."

Jak Nemesis is shown flipping Cancer Jiles over the top rope. Billy and Bob Wilson are then shown hitting Nemesis with a double clothesline.

"It's about to get crazy as Doozer and Mike Polowy meet again!"

Mike Polowy and Doozer are battling inside the ring, before Doozer is shown hitting a Diving Headbutt. Mike Polowy is then shown hitting a DDT on Doozer from the top rope, and then Doozer's miraculous kickout immediately afterwards.

"Doozer MOVES! SOMEHOW HE MOVED!"

Upton Osgood drives his forearm into the face of Casey Pierro-Zabitol, before kicking at his legs. Cancer Jiles then hits the Terminal Cancer, before covering Pierro-Zabitol for the pinfall.

"This is the match we've all been waiting for since the draft. Company Policy and the eGG Bandits going at it for the Tag Team Championships!"

Doozer and Travis Williams stare each other down in the ring... Travis Williams is shown viciously dominating Doozer... Doozer reaches under the bottom rope and trips Travis Williams up... Cancer Jiles and Chris Bladez exchange punches in the ring, as Doozer and Williams battle on the outside... Doozer whips Travis Williams into the steel stairs... Cancer Jiles and Doozer suplex Travis Williams, and Doozer covers! PINFALL!

"THREE! THREE! THREE! THE EGG BANDITS WIN!"

The video fades out as Jiles and Doozer hold up the tag team belts, jubilant smiles on their faces.

Golden Dreams

"

Lucienwalker" We fade back in on Lucien Walker inside the Refund studio. Walker clasps his hand as the camera focuses on him. Lucien Walker: "The Egg Bandits have been on a streak lately, attacking various members of the roster with their trademark extra-yolky eggs and Doozer claiming one of the the Dream World Championship belts from "The Mike Effect"

Mike Polowy. Of course, Cancer Jiles has been involved a heated rivalry with Jak

Nemesis, even losing his Anarchy Championship belt to Nemesis last week on Slaughter. But the real question is, can the Egg Bandits function as a unit with not one, not two, but three titles on the line? For Jiles and Doozer, the bromance may soon be over." An image of Doozer and Jiles flashes on-screen, both men with an arm around the others shoulder, an egg in each of their free hands and wide smiles on their faces. The picture is abruptly torn in half, and it disappears from view. Lucien Walker: "Twelve men will step into the Ultimate Jeopardy match, and three men will walk out with title around their waists. I took to the streets of Washington D.C to find out who the fans of DREAM thought would walk out with the dreams still intact!"

The scene cuts to show Lucien Walker on the streets on DC, standing in front of a dark haired man wearing a "The REAL Mr. Cool"

T-shirt. Lucien Walker: "So, who do you think will win the Ultimate Jeopardy match at Golden Dreams?"

Fan #1: "Mike

Polowy, Doozer and

501 will walk out with belts, I dunno which belts they'll have though." Lucien Walker approaches a mob of girls, all of them giggling furiously. One of them steps forward to speak. Lucien Walker: "Excuse me ma'am, but who do you think will win the Ultimate Jeopardy match at Golden Dreams?"

Fan #2: "Ooohhh... Um... I think Lupin Cy will win, he's so cute! And, um, Doozer and maybe Travis Williams?"

Lucien Walker walks up to a man with slicked back, fifties style hair, a leather jacket and dark sunglasses.

Lucien Walker: "Who do you think will win the Ultimate Jeopardy match at Golden Dreams?"

Fan #3: "Eyyyyyyy!"

## Friday Night Refund: 11.06.2009

I'm thinkin' that Mistah Cool himself, Cancer

Jiles, will come out wit da victory." Walker then turns to look at a a tanned man with bulging muscles, a shaved head and a rather dopey grin on his face wearing a "Tyler Straven's Number One Fan" t-shirt. Lucien Walker: "And what about you, sir? Who do you think will win?"

Fan #4: "Yeah bru, I'm thinking thet Tyler Straven well be coming out the chimpeon."

Lucien Walker then moves on, to a man dressed in a baggy tracksuit and a shirt which barely covers his drooping stomach. He turns to look at Lucien and adjusts his thick rimmed glasses. Lucien Walker: "Who do you think will-"

Fan #5: "Like, O-M-G! You're Lucien Walker, you're such a douchebag. I'm always talking about how much you suck on internet forums."

Lucien Walker: "Uh, right. Who do you think will win the Ultimate Jeopardy match at Golden Dreams? Mike Polowy, Doozer, what do you think?"

Fan #5: "Mike Polowy and Doozer are holding the roster down! I read a report on the internet that said Doozer and Polowy got Nathan Paradine fired AND!

Besides, Polowy is secretly married to William Peters daughter, and he controls what really happens behind the scenes in DREAM. Besides, Polowy can't really wrestle. I want Upton Osgood to win, even though I know he won't because DREAM management is holding the real talent down." Lucien Walker: "Um... Right. Thanks."

As Lucien walks away, he can vaguely be heard muttering. Lucien Walker: "... Marks... ergh."

Ending

"

lucienwalker" We cut back to the studio, where Lucien Walker is once again shown standing in front of a large video screen with the Golden Dreams logo revolving around slowly. Lucien Walker - "Unfortunately, that is all we have for this Friday Night. Next week tune in to catch the recap of the fallout from Golden Dreams, along with a special interview from one of the top competitors here in DREAM. I'm Lucien Walker, and this has been Friday Night Refund. Goodnight!"

Credits start to roll up the screen as the studio lights dim and Lucien Walker walks off-set, before the DREAM logo flashes and the show comes to an end.
